SALVE OLD BATIK SMALL RECTANGULAR

Cushions

These handwoven scatter cushions measuring approx. 12" x 24" (30cm x 60cm) are made using natural indigo hand dyed yarns, using traditional methods passed down from mother to daughter for centuries. Old Weave scatter cushions come in three designs - Strip, Band and Motif, each in two sizes - 60x30 and 45x45. Each cushion takes approximately one day to weave (1-2 metres of fabric, depending on the design) and each design is traditional in origin.
