

TIMOTHY OULTON

OSTRICH

Wall Art

During the late 18th and early 19th centuries, ostrich plumes became so in-demand as the 'must-have' fashion accessory that for a time they were more precious than gold. This elegant Ostrich art line is printed on museum quality archival paper and framed in black wood.

SPECIFICATION

Product Code:	T-ANI-WA-0003-Z
Product Height:	102.3cm / 40"
Product Width:	130.2cm / 51"
Product Depth:	3cm / 1"
Weight:	32kg / 71lbs
Bulb Included:	No
