ROCK CRYSTAL RAIN PENDANT

Ceiling Lights

The love of precious stones is deeply ingrained in the human heart, an ancient beauty that remains untouched and constant. The Rock Crystal Rain pendant is exquisitely handcrafted from delicate drops of rock crystal, lightly polished by hand and fixed to individual sockets on the frame so that each crystal is lit. The multi-faceted crystals disperse the light in every direction as it shines through the translucent stone, casting dramatic shapes and shadows on the wall, and radiating a soft and romantic glow. Lightweight in appearance yet voluminous in size, the Rock Crystal Rain pendant makes a spectacular showpiece suspended from high ceilings or above stairwells.
