ARC SOFA

Sofas

The Arc collection is one that has incorporated lighting as one of its main features. The collection was inspired by that high voltage point striking the arc and releasing a massive energy and glow during flash welding, a glow often seen in workshops fabricating parts for cars, bikes, or other machines. Then imagine capturing that flash, and have it become a continuous controllable glow within your sofa, mirror, tables, or pendant.

3 SEATER SPECIFICATION

Product Code:	M-ARV-SS-0001-K
Product Height:	81.5cm / 32.1"
Product Width:	266cm / 104.7"
Product Depth:	107.5cm / 42.3"
Seat Height:	46.5cm
Seat Width:	185cm / 72.8"
Seat Depth:	66.5cm / 18.3"
Weight:	200kg / 440lbs
Arm Height:	81.5cm / 32.1"
Seat Suspension:	S shaped steel springs & Elastic webbing
Back Suspension:	Elastic webbing
Arm Suspension:	Elastic webbing
Seat Cushion Filling:	Foam & fiber
Frame Construction:	Stainless steel Built of kiln-dried hardwood High-quality plywood frame
