

# TIMOTHY OULTON

## GEORGIAN ARCHITECTURAL

### Dining Tables

The Georgian Architectural dining table is handcrafted from Genuine English Reclaimed Timber sourced from disused buildings in the UK, sometimes up to 100 years old. A really warm and welcoming chunky table to anchor the room for casual sit downs or more formal dinner parties. Enjoy great company with plenty of eating, drinking, laughing, arguing and sharing - just as it should be.

### SPECIFICATION

---
