SPUR DRIFTWOOD

Side Tables

Created using salvaged driftwood that has been collected by hand from beaches all over the world, each piece uniquely marked by swathing tides and weathered shores. Crafted over many hours in a painstakingly delicate process, the once forgotten wood is suspended within crystal-clear acrylic, each tiny bubble like a last breath of air before being frozen in time. The Spur side table is available in either natural driftwood or burntwood, evoking sizzling campfires on the beach.
